

ANTIQUE VEHICLE SHOW • SCHEDULE OF ACTIVITIES

9:00- ANTIQUE VEHICLE DISPLAY
3:00 See the village, waterfront and ships bustle with activity as cars, trucks and motorcycles of the early 20th century go about their daily business.
Museum Grounds

GET IN THE DRIVER'S SEAT

Some of our exhibitors do not mind if you sit behind the wheels of their cars. Look for the signs that read, "It's OK to touch this car" and please check with the owner to make sure it's allowed.
Museum Grounds

WHAT'S THE STORY?

Each car has a story and the owners love to tell them. Ask anyone with an "EXHIBITOR" badge for the story about his or her car. Hear fascinating facts, the history of America's Motor Age and humorous stories about their adventures.

WARNING: There are no short stories.

At every vehicle on the grounds

DRESSING FOR THE EVENT

Many of the ladies and gentlemen who bring their vehicles to Mystic Seaport are wearing period clothing. Ask them what year their car was built to understand the fashions from that specific year.

In vehicles and on the grounds

SEE REVERSE SIDE FOR MORE ACTIVITIES

- 🚩 Look for exhibits with these signal flags out front. They are staffed by professional educators of Mystic Seaport.
- 🎵 Activities with music. 😊 Especially for families and children.
- 📍 Numbers indicate corresponding numbers on the map.

TO TOUCH OR NOT TO TOUCH . . .

Natural oils and acids from our skin are harmful to polished metal and painted surfaces. A single touch begins a chemical reaction that can affect paint, wood, fabric, leather and metal. These cars, trucks and motorcycles are survivors of our motoring past and their owners have spent countless dollars and untold hours of work to preserve them for us and future generations to enjoy. Please do not touch, lean or rest on any vehicle unless invited to do so.

- 4:00 SETTING SAIL ON THE SLOOP *REGINA M.* 🎵
Middle Wharf (27)
- 4:30 DOGWATCH 🎵😊
Skills, lore and amusements of the deepwater sailor.
Charles W. Morgan (33)
- 4:45 POWER FOR A NEW CENTURY
Hercules engine demonstration.
Hoop Shop (24)

Finding Your Way: Explore Navigation Activities

Look for our rolling Nautical Instrument Cart and gain a better understanding of navigation and the role it plays for mariners. Peer through a spyglass; go on a treasure hunt and make a log entry by recording wind speed, temperature and barometric pressure. Learn ways to orient yourself, just as sailors of the past did and discover how we use technology to navigate today.

For information on upcoming events at Mystic Seaport, visit www.mysticseaport.org
