

February 2017

Dear Exhibitor,

This letter is to invite you to our 26th Antique Marine Engine Expo. It is hard to believe that we are over 25 years into this annual event, but it has certainly been a delightful time.

This year, our show dates are August 19th and 20th, 2017. The show hours are 9:00am to 5:00pm on Saturday and 9:00am to 3:00pm on Sunday. The Museum Store Gate will open for Exhibitors at 7:00am both days. Please try to have your Exhibits in place by 9:00am. All pre-1963 marine gasoline and diesel engines are invited. Steam engines and marine models are welcome, regardless of age.

Your contributions were much appreciated last year to help offset show expenses. We hope you will consider supporting the show again this year. These contributions are tax deductible and you will be provided with a receipt to that effect, regardless of the amount. Thank you.

Swap & Sales tables, or equivalent space, will be available at \$20.00 each. You may share a table with others, or rent multiple tables if you wish.

This year the featured engines will be Evinrudes. We plan to set up a separate display featuring a boat from the Museum's collection that was used by The Evinrude company many years ago to sell outboards. Perhaps you can recall their advertisement; "Make Any Rowboat a Motor Boat." Therefore, if you own an Evinrude (inboards included), please bring it. Thank you.

For Saturday evening we hope to have a pizza party if there is enough interest. Let us know your preference on the registration form.

The enclosed registration form has our mailing, Email and fax address information. For additional Registration forms, see our website: mysticseaport.org – type Engine Show in the search field in the upper right and Enter.

If you have any questions, please sent us an Email to engineshow@mysticseaport.org, or call and leave a message at: 860-572-5302 ext. 5084, or 860-572-5341 (our volunteers will return calls on Tuesdays).

Sincerely,

Scott Noseworthy
Engine Collections Manager
