A SEAFARING VILLAGE
Climb aboard our historic ships to learn about seafaring during the Age of Sail. Or walk through our seaport town to discover what life was like for people in the 19th century. Learn about the different crafts and trades, such as coopering, carving, printing, and blacksmithing.

A WORKING SHIPYARD
This is where traditional techniques are passed on to the next generation - right in front of your eyes! Watch as expert shipwrights restore and maintain the Museum’s vast watercraft collection and other large vessels.

STAR CENTRAL
Learn the secrets of the night sky at one of our Planetarium shows, or let the little ones climb aboard our nautical-themed playscape. The Funk Children’s Museum (ages 7 and under) and Home Port (ages 8–12) offer children and families the chance to spend quality time at arts and crafts, games, and more.

GALLERY QUAD
Discover your own story of the sea through the engaging exhibitions on display in the indoor galleries located on the north end of the grounds.

VISIT THE PANORAMA EXHIBIT
The Grand Panorama of a Whaling Voyage “Round the World was painted in 1848. It depicts in fascinating details the voyage of a 19th century New Bedford whaleship on its journey “round the word” in pursuit of whales.

GET YOUR PASSPORT
Since the painting is almost as long as the Empire State Building is tall, we will display 15 different scenes from exotic ports-of-call over the run of the show. To celebrate each stop on the voyage, we created a passport. Stop by to view each scene and receive a stamp to mark your visit. Prizes will go to those who collect multiple stamps and a special prize will go to those who collect all 15.
