PARTNERING WITH OUR COMMUNITY

SINCE 1929

A large three-masted sailing ship is docked at a pier during twilight. The ship's complex rigging and masts are silhouetted against a deep blue sky. The water is calm, and the overall atmosphere is serene and historical. The ship is the central focus of the image, with other smaller boats visible in the background.

Mystic Seaport Museum is a place where adventure calls and the history of America's maritime experience continues to be written. Our Corporate Members help us nurture a landscape of lively exhibitions, programs, classes, and entertaining events and festivals of all kinds.

Enjoy premium benefits ranging from free and discounted admission to exclusive tours, presentations, rare entertaining and advertising opportunities, and more.
